

IT SHALL BE FULFILLED — NO MORE DELAY

This is my divine season of fulfillment! Every promise of God over my life shall manifest without delay! What God has written and spoken about me shall come to pass NOW! God's covenant for my life shall not be delayed.

Ezekiel 12:27-28 reveals a time when people said that the vision and the prophecy are for days to come. But God strongly responded and said, "None of my words shall be delayed any longer".

What is Divine Fulfillment? Divine fulfillment is when God brings His promises, prophecies, and purposes into visible manifestation in your life. It is the transition from prophecy to reality. From waiting to manifestation. From expectation to testimony.

Joshua 21:45 | Proverbs 13:12

The God of Abraham, Issac, and Jacob is with us today. What He did for His children in the past, He is doing for us now. Regardless of the opposition, storms, and the unfriendly environment, every promise of God shall come to pass in your life.

Now, you may have heard it several times that delay is not a denial; it is a setup for divine fulfillment. However, when the delay persists, hope begins to fade, faith becomes weak, people begin to settle for anything, and doubt replaces expectation.

Delays can come from:

1. Spiritual resistance. What is spiritual resistance? This is the resistance that comes when you are close to a breakthrough. Persistent delay despite prayer. Sudden discouragement or heaviness. It is also repeated obstacles in the same area of your life.

Ephesians 6:12

2. Unfinished spiritual process. This refers to something God has started in your life that has not yet reached completion due to interruption, disobedience, impatience, and spiritual attack. One example in the Bible is Joseph. Joseph's dream was fulfilled after due process. But many believers cannot stand the process. Not until the process is complete will the promise be fulfilled. **1 Samuel 15:22**

3. Demonic oppression. Demonic oppression is an external spiritual influence from evil forces that affect the mind, body, and circumstances of a believer, seeking to suppress, afflict, or hinder a believer, but without possession. A believer cannot be possessed, but can be oppressed. And when this happens, delay of destiny is imminent. Symptoms are persistent negative thoughts, unexplainable heaviness, and cycles of defeat despite effort. **1 Peter 5:8**

4. Lack of alignment. Lack of alignment is when a believer's life is not in proper agreement with God's will, word, timing, or spiritual order. **Amos 3:3**

Alignment involves your:

- heart (motives)
- actions (obedience)
- timing (waiting on God)
- position (being where God wants you)

Why fulfillment must happen in your life right now

1. Because God is Faithful: God is so faithful that He always works around His humble children to overcome those obstacles of delay until they come to the point where grace, mercy, and favor replace their weaknesses. **Psalms 109:21 | Numbers 23:19**

2. Because the Appointed Time Has Come: We cannot avoid letting this year go by like other years. This is your unique year—the set time of favor. The Bible says that God hath made everything beautiful in His time. This is your appointed time for fulfillment. **Genesis 21:1-2 | Psalm 102:13 | Ecclesiastes 3:11**

3. Because Christ Has Paid the Price: Fulfillment is guaranteed because Christ has paid the price for the delivery of your spiritual inheritance. **2 Corinthians 1:20**

- Today, if you are sensing unusual spiritual hunger. That is the indication of our fulfillment season. Don't let your guard down. Fire up your desire for Him. Your testimony is around.
- If your battles are increasing, it is because a breakthrough is near. Don't take your eyes from the prize. You are in a won battle. **John 16:33**
